

SUMMER PROGRAM REGISTRATION MAY 2023

Winter Carnival

Our Winter Carnival on February 18th was a great success and attracted folks from around Dalhousie (and outside!). We had carnival games, crafts, outdoor activities, a “neighbor room”, a magic show and more! It was very well attended and made for a very fun day (it was FREE for DCA members!). This event is definitely an annual “keeper”! Thank you to our sponsors.

AGM SUMMARY

Thank you everyone who attended our AGM on January 24th! It was a great chance to meet some neighbours and celebrate our accomplishments over the last year.

A special thanks to outgoing member John Piera, for his contributions to the DCA. Thanks also to Doug MacDonald, our General Manager who continues his stellar work with us.

Welcome back to our re-elected Board of Directors: James Reimer, Jonathan Maynard, Wayne Pennington, Marilyn Lambert, Ron Cornish, Brent Clark, Petro Babak, Rochelle Lamoureux, Jen Henderson, Sue Nicholls and Stephanie Desmarais. We also welcomed Megan Scheuring to the board!

We recognized Louise French and Stuart Harris, two important volunteers awarded lifetime memberships to the DCA. Thank you Louise and Stuart, and to all volunteers for your time and service to our community.

Interested in learning more about volunteering with the DCA or the Board of Directors? Reach out! More volunteers means more amazing things we can do for our community!

Mission: The Dalhousie Community Association provides programs and services that reflect the varied interests of the community by engaging and supporting staff and volunteers.

OUR NEW LOOK FOR 2023

WELCOME TO THE NEW DALHOUSIE DIGEST: INAUGURAL ISSUE SPRING 2023

Spring is a time for fresh starts, so there's no better time to debut our new look! Our digest is now mailed out quarterly, and is self-published, so we can choose exactly what content is sent to our readers. We will also send an e-version to members who have provided an email address.

More information about events and programs are on our website at www.dalhousiecalgary.ca. Many articles also feature a QR code - a small black and white box, similar to a barcode. This handy feature can be scanned with a phone or tablet, either using the camera function of your device or by downloading a “QR code reader” app.

All changes will be reviewed at the end of 2023, and we are happy to consider your feedback. There will be opportunities for advertisement in our digest in the coming months. Send questions or comments to admin@dalhousiecalgary.ca or call 403-286-2555.

COMMUNITY HIGHLIGHTS

We started the new year with a new monthly event: "Community Club" for adults. Our January event was making outdoor lanterns, followed by a Cyber security session in February (both free of charge)! Keep your eyes peeled for upcoming club events through the website or Facebook.

Our "Community Garden" initiative continues to "blossom", with the team currently working with Re Generate Design to build out a comprehensive community garden design that incorporates feedback from our garden open house last year. This design will help inform the neighbors along the garden's proposed perimeter for approval and the City for the granting of the current parks land, and will become the blue print for the future development of the area.

You may still receive a flyer called "Your Dalhousie", from Great News Media. Though it looks like our old digest, this flyer has no content about our community and is not affiliated with Dalhousie Community Association.

Thank you to our volunteers for a successful 2023 Casino, raising up to \$80,000 to help pay for our operating costs. We couldn't do it without you!
