

## Dalhousie Community Association

It's finally warm outside and that means we can all enjoy fun events and outdoor activities in our community! This spring and summer there is lots going on at Dalhousie Community Centre (DCA), from a Stampede event to community club nights, tennis and pickleball to awesome kids' programming for summertime. Check out our list of upcoming events and mark your calendars!

The DCA ensures Dalhousie is a vibrant safe and fun community where everyone can feel like they belong. We can always use helping hands to make Dalhousie the best place it can be. If you have a passion for community, consider joining our board! We meet monthly to discuss community issues and plan events and are happy to welcome anyone with any skill set. If you like numbers, then our board will be seeking a treasurer for 2024 – who knows, it could be you!

## FARMERS MARKET

We welcomed spring after a long cold snowy winter with the Dalhousie Spring Farmers Market on April 29. We had an amazing selection of Alberta vendors that make, bake and grow their products. Attendance was fantastic, and the community support is so appreciated. We open for the summer outdoor weekly Dalhousie Farmers Market on Thursday June 1 from 3:30-7:30pm and run till September 21. Follow [dalhousie.farmersmarket.yyc](https://dalhousie.farmersmarket.yyc) Facebook and Instagram for updates on our summer market.

# CALGARY CO-OP DEVELOPMENT

Co-op has recently brought forth a new development proposal (DP2022-07120) for redevelopment of a portion of the Co-op site at the corner of Dalhousie Drive and Shaganappi Trail. **The plans for this can be found on the City of Calgary Development Map.**

Background on the earlier full site redevelopment proposal, including public and community association comments, still resides at: **<https://engage.calgary.ca/dalhousiecoop>**

If you have any questions for the Dalhousie Community Association on this or any other development-related items, reach out to the Planning and Development Committee at **<https://www.dalhousiecalgary.ca/contact/>**

# KIDS PROGRAMMING

## DALHOUSIE LOVES FAMILIES!

Preschool, Kindergarten, and Summer Programs are all offered at the Dalhousie Community Centre. Children aged 3 & 4 can still register for September classes at Dalhousie preschool. Children 4 and up can register for our community kindergarten program as either kindergarten or junior kindergarten students. During the school year, Before and After School Care is also available to the elementary schools in our community. Before and After School Care options (grades K and up) begin taking registrations in June for the September school year. Families have lots of choices right here Dalhousie!

# COMMUNITY HIGHLIGHTS

Calgary and gardening – what a challenge. Many of us rely on instinct to make gardening decisions, never sure of the “right thing”. That is, until Janet Melrose stepped in. Known as the “Cottage Gardener”, Janet has a wealth of knowledge and experience when it comes to gardening in Calgary.

Her first visit to our Community Club helped us prepare our gardens for spring. It was a huge success, with 40 participants! Janet will return to the DCA Community Club for a 4 part series on gardening throughout the year. The first of the series was May 18. If you missed out, don't worry! There are 3 more sessions:

**June 15 – Summer Gardening in the City**

**Sept 21 – Fall Activities for City Gardeners**

**Oct 19- Gardening into the Winter**

Whatever your gardening questions, Janet can help! Pre-purchase tickets for \$20 each, or \$25 at the door. DCA Members will receive 15% off. Details can be found here:

# COMMUNITY GARDEN

At the end of March, the garden committee hit the streets to canvas our neighbours regarding the project and we have exceeded the threshold for approvals. Thank you to everyone who gave feedback on the project. We are taking your comments into consideration and will be updating some aspects of the design. Want to help?
