# SHOW N SHINE 2023

The Show n Shine is back at the Dalhousie Community Centre on Saturday September 9 from 10 am- 2 pm. Last year's show boasted 175 vehicles, and we hope for more in 2023! Join us for cool cars, snacks and prizes! Once again, proceeds will support youth struggling with homelessness, providing support through Enviros ([www.Enviros.org](http://www.Enviros.org)). Thanks to the vehicle owners, volunteers, sponsors, and the Dalhousie Community Association. See you there!

# STAMPEDE BBQ AND DANCE RECAP

Thanks to all our wonderful volunteers and attendees who made our 2023 Stampede BBQ a success! A special thank you to Village Ice Cream and Northwest Dental for their donations.

This event brought together over 300 community members to enjoy an evening of crafts, a performance by Four Winds Indigenous Showcase and live music from Rockin' Kings! We look forward to seeing everyone again next year!

# COMMUNITY CLUB

We had our first Arusha Repair Exchange Sept 6. Participants got help bringing new life to old things. It was great to take action to reduce waste, learn some new skills and build relationships with our neighbours! If you missed this event, you can always catch it again in December. Check out this and other upcoming Community Club events, from gardening to managing food waste, online at <https://www.dalhousiecalgary.ca/programs/community-club/>.

# EARLY CHILDHOOD EDUCATION

Welcome to our new and returning students in preschool (ages 3/4) and kindergarten! Our classrooms provide unique experiences keeping children engaged and excited about learning. An on-site before and after school care program is offered by the Dalhousie Community Association to serve our programs and West Dalhousie and Dalhousie Elementary Schools.

# ANNUAL GENERAL MEETING

The DCA Annual General Meeting will be held in January 2024 (see our website for details). All Dalhousie residents are invited to attend, and DCA members can vote. Our board is in search of a new treasurer: if you love numbers, and enjoy hanging out with fun people, this may be the volunteer role for you!

# COMMUNITY GARDEN

Things are moving along for our Community Garden! In July, the City of Calgary approved our boundary expansion request: now grant applications begin! Our most recent grant success resulted in the delivery of 6 beautiful fruit trees to the community centre. reGenerate Design incorporated your feedback to include more garden beds and add more community spaces. The new garden design is outstanding, and we are excited to see it brought to life.

We're seeking volunteers for grant writing and general help.
