## Emergency Preparedness Week is May 4 – 10, 2025

This annual event takes place across Canada every May to highlight the importance of getting prepared for emergencies before they happen. Calgarians are encouraged to take steps to get prepared for emergencies to help minimize the impacts.

Get prepared - every emergency is different, but having a plan will help you and your family know what to do and who to contact in different situations. Get started by downloading our emergency action plan, available in different languages at [calgary.ca/getready](https://calgary.ca/getready).
